

Lewisburg Area High School Athletic Department

545 Newman Road
Lewisburg, PA 17837

570-522-3233

www.dragon.k12.pa.us

Dear Parents/Guardians and Athletes,

The PIAA and Lewisburg Area School District have requirements to participate in interscholastic sports.

Athletes will not be permitted to participate in practice or events until ALL of the following paperwork is completed and submitted to the Athletic Office:

- Complete Sections 1, 2, 3, 4, 5 (6 to be completed by personal or school Physician).
- Sign Permission for Physical form (If school Physician is performing the physical).
- COVID Release
- Complete Athletic Trainer RELEASE form (gives Athletic Trainer permission to treat).
- Complete Athletic Contract

If you would like the School Physician to perform the physical on your child then ALL Forms MUST be handed in to your child's school nurse no later than Friday, February 26, 2021.

If your personal Physician performs the physical it must be completed on or after June 1, 2020.

The school will provide an opportunity for your athlete to have a physical

Tuesday, March 2, 2021 3:00PM at the High School.

Any questions please contact the Athletic Office at 522-3233.

Sincerely,

Joseph Faust

PIAA's Re-Certification guidelines require that any athlete participating in a second or third sport in any given school year must complete a Re-Certification form. These forms will be distributed at Winter and Spring sport sign-ups and are to be completed and signed by their parent or guardian or the athlete will not be permitted participate in a sport. If your son or daughter had a physical for the fall season, turned in the paperwork, but never participated, they still must complete a Re-Certification form.

**PIAA COMPREHENSIVE INITIAL
PRE-PARTICIPATION PHYSICAL EVALUATION**

INITIAL EVALUATION: Prior to any student participating in Practices, Inter-School Practices, Scrimmages, and/or Contests, at any PIAA member school in any school year, the student is required to (1) complete a Comprehensive Initial Pre-Participation Physical Evaluation (CIPPE); and (2) have the appropriate person(s) complete the first six Sections of the CIPPE Form. Upon completion of Sections 1 and 2 by the parent/guardian; Sections 3, 4, and 5 by the student and parent/guardian; and Section 6 by an Authorized Medical Examiner (AME), those Sections must be turned in to the Principal, or the Principal's designee, of the student's school for retention by the school. The CIPPE may not be authorized earlier than June 1st and shall be effective, regardless of when performed during a school year, until the latter of the next May 31st or the conclusion of the spring sports season.

SUBSEQUENT SPORT(S) IN THE SAME SCHOOL YEAR: Following completion of a CIPPE, the same student seeking to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests in subsequent sport(s) in the same school year, must complete Section 7 of this form and must turn in that Section to the Principal, or Principal's designee, of his or her school. The Principal, or the Principal's designee, will then determine whether Section 8 need be completed.

SECTION 1: PERSONAL AND EMERGENCY INFORMATION

PERSONAL INFORMATION

Student's Name _____ Male/Female (circle one)

Date of Student's Birth: ___/___/___ Age of Student on Last Birthday: ___ Grade for Current School Year: ___

Current Physical Address _____

Current Home Phone # () _____ Parent/Guardian Current Cellular Phone # () _____

Fall Sport(s): _____ Winter Sport(s): _____ Spring Sport(s): _____

EMERGENCY INFORMATION

Parent's/Guardian's Name _____ Relationship _____

Address _____ Emergency Contact Telephone # () _____

Secondary Emergency Contact Person's Name _____ Relationship _____

Address _____ Emergency Contact Telephone # () _____

Medical Insurance Carrier _____ Policy Number _____

Address _____ Telephone # () _____

Family Physician's Name _____, MD or DO (circle one)

Address _____ Telephone # () _____

Student's Allergies _____

Student's Health Condition(s) of Which an Emergency Physician or Other Medical Personnel Should be Aware _____

Student's Prescription Medications and conditions of which they are being prescribed _____

SECTION 2: CERTIFICATION OF PARENT/GUARDIAN

The student's parent/guardian must complete all parts of this form.

A. I hereby give my consent for _____ born on _____ who turned _____ on his/her last birthday, a student of _____ School and a resident of the _____ public school district, to participate in Practices, Inter-School Practices, Scrimmages, and/or Contests during the 20____ - 20____ school year in the sport(s) as indicated by my signature(s) following the name of the said sport(s) approved below.

Fall Sports	Signature of Parent or Guardian
Cross Country	
Field Hockey	
Football	
Golf	
Soccer	
Girls' Tennis	
Girls' Volleyball	
Water Polo	
Other	

Winter Sports	Signature of Parent or Guardian
Basketball	
Bowling

Track & Field (Outdoor)	
Boys' Volleyball	
Other	

B. **Understanding of eligibility rules:** I hereby acknowledge that I am familiar with the requirements of PIAA concerning the eligibility of students at PIAA member schools to participate in Inter-School Practices, Scrimmages, and/or Contests involving PIAA member schools. Such requirements, which are posted on the PIAA Web site at www.piaa.org, include, but are not necessarily limited to age, amateur status, school attendance, health, transfer from one school to another, season and out-of-season rules and regulations, semesters of attendance, seasons of sports participation, and academic performance.

Parent's/Guardian's Signature _____ Date ____/____/____

C. **Disclosure of records needed to determine eligibility:** To enable PIAA to determine whether the herein named student is eligible to participate in interscholastic athletics involving PIAA member schools, I hereby consent to the release to PIAA of any and all portions of school record files, beginning with the seventh grade, of the herein named student specifically including, without limiting the generality of the foregoing, birth and age records, name and residence address of parent(s) or guardian(s), residence address of the student, health records, academic work completed, grades received, and attendance data.

Parent's/Guardian's Signature _____ Date ____/____/____

D. **Permission to use name, likeness, and athletic information:** I consent to PIAA's use of the herein named student's name, likeness, and athletically related information in video broadcasts and re-broadcasts, webcasts and reports of Inter-School Practices, Scrimmages, and/or Contests, promotional literature of the Association, and other materials and releases related to interscholastic athletics.

Parent's/Guardian's Signature _____ Date ____/____/____

E. **Permission to administer emergency medical care:** I consent for an emergency medical care provider to administer any emergency medical care deemed advisable to the welfare of the herein named student while the student is practicing for or participating in Inter-School Practices, Scrimmages, and/or Contests. Further, this authorization permits, if reasonable efforts to contact me have been unsuccessful, physicians to hospitalize, secure appropriate consultation, to order injections, anesthesia (local, general, or both) or surgery for the herein named student. I hereby agree to pay for physicians' and/or surgeons' fees, hospital charges, and related expenses for such emergency medical care. I further give permission to the school's athletic administration, coaches and medical staff to consult with the Authorized Medical Professional who executes Section 6 regarding a medical condition or injury to the herein named student.

Parent's/Guardian's Signature _____ Date ____/____/____

F. **CONFIDENTIALITY:** The information on this CIPPE shall be treated as confidential by school personnel. It may be used by the school's athletic administration, coaches and medical staff to determine athletic eligibility, to identify medical conditions and injuries, and to promote safety and injury prevention. In the event of an emergency, the information contained in this CIPPE may be shared with emergency medical personnel. Information about an injury or medical condition will not be shared with the public or media without written consent of the parent(s) or guardian(s).

Parent's/Guardian's Signature _____ Date ____/____/____

SECTION 4: UNDERSTANDING OF SUDDEN CARDIAC ARREST & COVID-19 SYMPTOMS AND WARNING SIGNS

What is sudden cardiac arrest?

Sudden cardiac arrest (SCA) is when the heart stops beating, suddenly and unexpectedly. When this happens blood stops flowing to the brain and other vital organs. SCA is NOT a heart attack. A heart attack may cause SCA, but they are not the same. A heart attack is caused by a blockage that stops the flow of blood to the heart. SCA is a malfunction in the heart's electrical system, causing the heart to suddenly stop beating.

How common is sudden cardiac arrest in the United States?

There are about 350,000 cardiac arrests that occur outside of hospitals each year. More than 10,000 individuals under the age of 25 die of SCA each year. SCA is the number one killer of student athlete and the leading cause of death on school campuses.

Are there warning signs?

Although SCA happens unexpectedly, some people may have signs or symptoms, such as

- Dizziness or lightheadedness when exercising;
- Fainting or passing out during or after exercising;
- Shortness of breath or difficulty breathing with exercise, not asthma related;
- Racing, skipped beats or fluttering heartbeat (palpitations)
- Fatigue (extreme or recent onset of tiredness)
- Weakness; and/or
- Chest pains/pressure or tightness during or after exercise.

These symptoms can be unclear and confusing in athletes. Some may ignore the signs or think they are normal from physical exhaustion. If the conditions that cause SCA are diagnosed and treated before a life-threatening event, sudden cardiac death can be prevented in many young athletes:

What are the risks of practicing or playing after experiencing these symptoms?

There are risks associated with continuing to practice or play after experiencing these symptoms. The symptoms might mean something is wrong with the athlete and they should be checked before returning to play. When the heart stops due to cardiac arrest, so does the blood that flows to the brain and other vital organs. Death or permanent brain damage can occur in just a few minutes. Most people who experience a SCA die from it; survival rates are below 10%.

Act 73 – Peyton's Law - Electrocardiogram Testing for Student Athletes

The Act is intended to keep student-athletes safe while practicing or playing. Please review the warning signs/symptoms and know that you can request, at your expense, an electrocardiogram (EKG or ECG) to help uncover hidden heart issues that can lead to SCA.

Why Do Heart Conditions That Put Youth at Risk Go Undetected?

- Up to 90 percent of underlying heart issues are missed when using only the history and physical exam;
- Most heart conditions that can lead to SCA are not detectable by listening to the heart with a stethoscope during a routine physical; and
- Often, youth don't report or recognize symptoms of a potential heart condition.

What is an Electrocardiogram (EKG or ECG)?

An ECG/EKG is a quick, painless and noninvasive test that measures and records a moment in time of the heart's electrical activity. Small electrode patches are attached to the skin of your chest, arms and legs by a technician. An ECG/EKG provides information about the structure, function, rate and rhythm of the heart.

Why Add an ECG/EKG to the Physical Examination?

Adding an ECG/EKG to the history and physical exam can suggest further testing or help identify up to two-thirds of heart conditions that can lead to SCA. An ECG/EKG can be ordered by your physician for screening for cardiovascular disease (ICD 10 code: Z13.6) or for a variety of symptoms such as chest pain, palpitations, dizziness, fainting, or family history of heart disease and will generally be paid for by insurance.

- ECG/EKG screenings should be considered every 1-2 years because young hearts grow and change.
- ECG/EKG screenings may increase sensitivity for detection of undiagnosed cardiac disease but may not prevent SCA.
- ECG/EKG screenings with abnormal findings will need to be evaluated by trained physicians.
- If the ECG/EKG screening has abnormal findings, additional testing may need to be done (with associated cost and risk) before a diagnosis can be made, and may prevent the student from participating in sports for a short period of time until the testing is completed and more specific recommendations can be made.
- The ECG/EKG can have false positive findings, suggesting an abnormality that does not really exist after more testing (false positive findings occur less than 3% of the time when ECG/EKGs are read by a medical practitioner proficient in ECG/EKG interpretation of children, adolescents and young athletes.).
- ECGs/EKGs result in fewer false positives than the current history and physical exam (10%).

The American College of Cardiology/American Heart Association guidelines do not recommend an ECG or EKG in **asymptomatic** patients but do support local programs in which ECG or EKG can be applied with high-quality resources.

Removal from play/return to play

Any student-athlete who has signs or symptoms of SCA must be removed from play. The symptoms can happen before, during, or after activity. Play includes all athletic activity.

Before returning to play, the athlete must be evaluated. Clearance to return to play must be in writing. The evaluation must be performed by a licensed physician, certified registered nurse practitioner, or cardiologist (heart doctor). The licensed physician or certified registered nurse practitioner may consult any other licensed or certified medical professionals.

I have reviewed this form and understand the symptoms and warning signs of SCA. I have also read the information about the electrocardiogram testing and how it may help to detect hidden heart issues.

SECTION 3: UNDERSTANDING OF RISK OF CONCUSSION AND TRAUMATIC BRAIN INJURY

What is a concussion?

A concussion is a brain injury that:

- Is caused by a bump, blow, or jolt to the head or body.
- Can change the way a student's brain normally works.
- Can occur during Practices and/or Contests in any sport.
- Can happen even if a student has not lost consciousness.
- Can be serious even if a student has just been "dinged" or "had their bell rung."

All concussions are serious. A concussion can affect a student's ability to do schoolwork and other activities (such as playing video games, working on a computer, studying, driving, or exercising). Most students with a concussion get better, but it is important to give the concussed student's brain time to heal.

What are the symptoms of a concussion?

Concussions cannot be seen; however, in a potentially concussed student, **one or more** of the symptoms listed below may become apparent and/or that the student "doesn't feel right" soon after, a few days after, or even weeks after the injury.

- Headache or "pressure" in head
- Nausea or vomiting
- Balance problems or dizziness
- Double or blurry vision
- Bothered by light or noise
- Feeling sluggish, hazy, foggy, or groggy
- Difficulty paying attention
- Memory problems
- Confusion

What should students do if they believe that they or someone else may have a concussion?

- **Students feeling any of the symptoms set forth above should immediately tell their Coach and their parents.** Also, if they notice any teammate evidencing such symptoms, they should immediately tell their Coach.
- **The student should be evaluated.** A licensed physician of medicine or osteopathic medicine (MD or DO), sufficiently familiar with current concussion management, should examine the student, determine whether the student has a concussion, and determine when the student is cleared to return to participate in interscholastic athletics.
- **Concussed students should give themselves time to get better.** If a student has sustained a concussion, the student's brain needs time to heal. While a concussed student's brain is still healing, that student is much more likely to have another concussion. Repeat concussions can increase the time it takes for an already concussed student to recover and may cause more damage to that student's brain. Such damage can have long term consequences. It is important that a concussed student rest and not return to play until the student receives permission from an MD or DO, sufficiently familiar with current concussion management, that the student is symptom-free.

How can students prevent a concussion? Every sport is different, but there are steps students can take to protect themselves.

- Use the proper sports equipment, including personal protective equipment. For equipment to properly protect a student, it must be:
 - The right equipment for the sport, position, or activity;
 - Worn correctly and the correct size and fit; and
 - Used every time the student Practices and/or competes.
- Follow the Coach's rules for safety and the rules of the sport.
- Practice good sportsmanship at all times.

If a student believes they may have a concussion: Don't hide it. Report it. Take time to recover.

I hereby acknowledge that I am familiar with the nature and risk of concussion and traumatic brain injury while participating in interscholastic athletics, including the risks associated with continuing to compete after a concussion or traumatic brain injury.

Student's Signature _____ Date ____ / ____ / ____

SECTION 5: HEALTH HISTORY

Explain "Yes" answers at the bottom of this form.
Circle questions you don't know the answers to.

<p>1. Has a doctor ever denied or restricted your participation in sport(s) for any reason? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>2. Do you have an ongoing medical condition (like asthma or diabetes)? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>3. Are you currently taking any prescription or nonprescription (over-the-counter) medicines or pills? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>4. Do you have allergies to medicines, pollens, foods, or stinging insects? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>5. Have you ever passed out or nearly passed out DURING exercise? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>6. Have you ever passed out or nearly passed out AFTER exercise? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>7. Have you ever had discomfort, pain, or pressure in your chest during exercise? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>8. Does your heart race or skip beats during exercise? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>9. Has a doctor ever told you that you have (check all that apply): <input type="checkbox"/> High blood pressure <input type="checkbox"/> Heart murmur <input type="checkbox"/> High cholesterol <input type="checkbox"/> Heart infection</p> <p>10. Has a doctor ever ordered a test for your heart? (for example ECG, echocardiogram) <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>11. Has anyone in your family died for no apparent reason? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>12. Does anyone in your family have a heart problem? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>13. Has any family member or relative been disabled from heart disease or died of heart problems or sudden death before age 50? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>14. Does anyone in your family have Marfan syndrome? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>15. Have you ever spent the night in a hospital? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>16. Have you ever had surgery? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <div style="border: 1px solid black; padding: 5px;"> <p>17. Have you ever had an injury, like a sprain, muscle, or ligament tear, or tendonitis, which caused you to miss a Practice or Contest? If yes, circle affected area below: <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>18. Have you had any broken or fractured bones or dislocated joints? If yes, circle below: <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>19. Have you had a bone or joint injury that required x-rays, MRI, CT, surgery, injections, rehabilitation, physical therapy, a brace, a cast, or crutches? If yes, circle below: <input type="checkbox"/> Yes <input type="checkbox"/> No</p> </div> <table border="0" style="width: 100%; font-size: small;"> <tr> <td>Head</td><td>Neck</td><td>Shoulder</td><td>Upper arm</td><td>Elbow</td><td>Forearm</td><td>Hand/ Fingers</td><td>Chest</td></tr> <tr> <td>Upper back</td><td>Lower back</td><td>Hip</td><td>Thigh</td><td>Knee</td><td>Calf/shin</td><td>Ankle</td><td>Foot/ Toes</td></tr> </table> <p>20. Have you ever had a stress fracture? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>21. Have you been told that you have or have you had an x-ray for atlantoaxial (neck) instability? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>22. Do you regularly use a brace or assistive device? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>	Head	Neck	Shoulder	Upper arm	Elbow	Forearm	Hand/ Fingers	Chest	Upper back	Lower back	Hip	Thigh	Knee	Calf/shin	Ankle	Foot/ Toes	<p>23. Has a doctor ever told you that you have asthma or allergies? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>24. Do you cough, wheeze, or have difficulty breathing DURING or AFTER exercise? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>25. Is there anyone in your family who has asthma? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>26. Have you ever used an inhaler or taken asthma medicine? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>27. Were you born without or are you missing a kidney, an eye, a testicle, or any other organ? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>28. Have you had infectious mononucleosis (mono) within the last month? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>29. Do you have any rashes, pressure sores, or other skin problems? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>30. Have you ever had a herpes skin infection? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <div style="border: 1px solid black; padding: 5px;"> <p>CONCUSSION OR TRAUMATIC BRAIN INJURY</p> <p>31. Have you ever had a concussion (i.e. bell rung, ding, head rush) or traumatic brain injury? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>32. Have you been hit in the head and been confused or lost your memory? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>33. Do you experience dizziness and/or headaches with exercise? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> </div> <p>34. Have you ever had a seizure? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>35. Have you ever had numbness, tingling, or weakness in your arms or legs after being hit or falling? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>36. Have you ever been unable to move your arms or legs after being hit or falling? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>37. When exercising in the heat, do you have severe muscle cramps or become ill? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>38. Has a doctor told you that you or someone in your family has sickle cell trait or sickle cell disease? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>39. Have you had any problems with your eyes or vision? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>40. Do you wear glasses or contact lenses? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>41. Do you wear protective eyewear, such as goggles or a face shield? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>42. Are you unhappy with your weight? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>43. Are you trying to gain or lose weight? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>44. Has anyone recommended you change your weight or eating habits? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>45. Do you limit or carefully control what you eat? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>46. Do you have any concerns that you would like to discuss with a doctor? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>FEMALES ONLY</p> <p>47. Have you ever had a menstrual period? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>48. How old were you when you had your first menstrual period? _____</p> <p>49. How many periods have you had in the last 12 months? _____</p> <p>50. Are you pregnant? <input type="checkbox"/> Yes <input type="checkbox"/> No</p>

Lewisburg Area High School
Athletic Department
545 Newman Road
Lewisburg, PA 17837
570-522-3223

Permission for Physical by a physician or P.A. contracted by Lewisburg Area School District

Dear Parent/Guardian,

The purpose of the school sports physical administered by a contracted physician or physician's assistant is to protect the student, as well as the school athletic department, trainer(s), and administration, including the school board, from having the student compete with a potentially life-threatening condition. This sports physical is NOT a child wellness check-up and parents/guardians are encouraged to schedule a wellness check-up annually for their child.

During the initial sports physical the following areas will be examined:

- Blood pressure and heart-rate
- Skeletal structure and muscle flexibility
- Neck
- Abdomen (for masses, lumps, or hernias)
- Genitalia (boys – for undescended testicles or lumps)

Please sign below to indicate that you give permission for the Lewisburg Area School District contracted physician or physician's assistant to examine your child for sports participation. Your signature verifies you have read and understand the information discussed above.

Section 10: 2020-2021 SUPPLEMENTAL ACKNOWLEDGEMENT, WAIVER AND RELEASE: COVID-19

The COVID-19 pandemic presents athletes with a myriad of challenges concerning this highly contagious illness. Some severe outcomes have been reported in children, and even a child with a mild or even asymptomatic case of COVID-19 can spread the infection to others who may be far more vulnerable.

While it is not possible to eliminate all risk of being infected with or furthering the spread of COVID-19, PIAA has urged all member schools to take necessary precautions and comply with guidelines from the federal, state, and local governments, the CDC and the PA Departments of Health and Education to reduce the risks to athletes, coaches, and their families. As knowledge regarding COVID-19 is constantly changing, PIAA reserves the right to adjust and implement precautionary methods as necessary to decrease the risk of exposure to athletes, coaches and other involved persons. Additionally, each school has been required to adopt internal protocols to reduce the risk of transmission.

The undersigned acknowledge that they are aware of the highly contagious nature of COVID-19 and the risks that they may be exposed to or contract COVID-19 or other communicable diseases by permitting the undersigned student to participate in interscholastic athletics. We understand and acknowledge that such exposure or infection may result in serious illness, personal injury, permanent disability or death. We acknowledge that this risk may result from or be compounded by the actions, omissions, or negligence of others. The undersigned further acknowledge that certain vulnerable individuals may have greater health risks associated with exposure to COVID-19, including individuals with serious underlying health conditions such as, but not limited to: high blood pressure, chronic lung disease, diabetes, asthma, and those whose immune systems that are compromised by chemotherapy for cancer, and other conditions requiring such therapy. While particular recommendations and personal discipline may reduce the risks associated with participating in athletics during the COVID-19 pandemic, these risks do exist. Additionally, persons with COVID-19 may transmit the disease to others who may be at higher risk of severe complications.

By signing this form, the undersigned acknowledge, after having undertaken to review and understand both symptoms and possible consequences of infection, that we understand that participation in interscholastic athletics during the COVID-19 pandemic is strictly voluntary and that we agree that the undersigned student may participate in such interscholastic athletics. The undersigned also understand that student participants will, in the course of competition, interact with and likely have contact with athletes from their own, as well as other, schools, including schools from other areas of the Commonwealth. Moreover, they understand and acknowledge that our school, PIAA and its member schools cannot guarantee that transmission will not occur for those participating in interscholastic athletics.

NOTWITHSTANDING THE RISKS ASSOCIATED WITH COVID-19, WE ACKNOWLEDGE THAT WE ARE VOLUNTARILY ALLOWING STUDENT TO PARTICIPATE IN INTERSCHOLASTIC ATHLETICS WITH KNOWLEDGE OF THE DANGER INVOLVED. WE HEREBY AGREE TO ACCEPT AND ASSUME ALL RISKS OF PERSONAL INJURY, ILLNESS, DISABILITY AND/OR DEATH RELATED TO COVID-19, ARISING FROM SUCH PARTICIPATION, WHETHER CAUSED BY THE NEGLIGENCE OF PIAA OR OTHERWISE.

We hereby expressly waive and release any and all claims, now known or hereafter known, against the student’s school, PIAA, and its officers, directors, employees, agents, members, successors, and assigns (collectively, "Releasees"), on account of injury, illness, disability, death, or property damage arising out of or attributable to Student’s participation in interscholastic athletics and being exposed to or contracting COVID-19, whether arising out of the negligence of PIAA or any Releasees or otherwise. We covenant not to make or bring any such claim against PIAA or any other Releasee, and forever release and discharge PIAA and all other Releasees from liability under such claims.

Additionally, we shall defend, indemnify, and hold harmless the student’s school, PIAA and all other Releasees against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including attorney fees, fees, and the costs of enforcing any right to indemnification and the cost of pursuing any insurance providers, incurred by/awarded against the student’s school, PIAA or any other Releasees in a final judgment arising out or resulting from any claim by, or on behalf of, any of us related to COVID-19.

We willingly agree to comply with the stated guidelines put forth by the student’s school and PIAA to limit the exposure and spread of COVID-19 and other communicable diseases. We certify that the student is, to the best of our knowledge, in good physical condition and allow participation in this sport at our own risk. By signing this Supplement, we acknowledge that we have received and reviewed the student’s school athletic plan.

Athletic Contract

STUDENT'S NAME: _____

Please print

Check the box and sign after you have read all the information.

I have read the attached information (3 pages) concerning the insurance coverage provided by the Lewisburg Area School District for my child who will be participating in the Interscholastic Sports Insurance Program. I am aware that the coverage provided excess coverage and that in the event of any injury a claim should first be filed with primary insurance.

I hereby give consent through the guidance office, to the release to the PIAA and head coaching staff, any portion of my child's school record files beginning with the seventh grade, for legitimate purposes (eligibility, scholarships, recognitions, etc.)

I, the parent of a member of a Lewisburg Secondary athletic team, have read the athletic code described herein, and understand the STEROID ACT. I will attempt to aid my son/daughter in observing it and realize that if he/she cannot comply with it, he/she will lose the privilege of representing a Lewisburg Secondary School in athletics.

I, a member of a Lewisburg Secondary School athletic team, have read the athletic code described herein, and understand it. I realize that if I cannot or will not comply with it, I will lose my privileges of representing a Lewisburg Secondary School in athletics.
